

Welcome to East Longmeadow's Web GIS

Search Page

When you enter the site, you will be presented with a property search window. Please enter either an owner name, house number, or street name (*without* any suffix such as ave, st, ct, etc.) and hit the “SEARCH” button. Hint: the search form will also perform a search based upon partial names or numbers (ie., a search of “M” in the street field will return all streets that start with the letter M).

The screenshot shows a web browser window titled "Default - Microsoft Internet Explorer". The page content is framed by a blue border and includes the following elements:

- Logo:** The official seal of the Town of East Longmeadow, Massachusetts, is located in the top left corner.
- Page Title:** "East Longmeadow Intranet Web GIS" is displayed in a large, bold, blue font.
- Navigation:** Below the title, the text "Go Directly to Interactive Mapping" is present, followed by a "Help" link on the right.
- Search Section:** A section titled "Find A Property" contains four input fields: "Parcel ID", "House No.", "Street Name (starts with)", and "Owner Last Name (starts with)". A "Search" button is positioned to the right of these fields.
- Footer:** At the bottom of the page, a copyright notice reads: "Copyright 2004 Town of East Longmeadow, MA. All rights reserved. Developed by AppGeo.com".

Results Page

Your search will produce a list of property candidates that you may choose from. Click on the Parcel-ID, street address or the owner name to see that property on the map.

The screenshot shows a web browser window displaying the 'East Longmeadow Intranet Web GIS' interface. The page features a search bar with fields for 'Parcel ID', 'House No.', 'Street Name (starts with)', and 'Owner Last Name (starts with)', along with a 'Search' button. Below the search bar, a table lists property candidates with columns for 'ParcelID', 'Address', and 'Owner'. The table contains 20 rows of data. At the bottom of the page, there is a copyright notice: 'Copyright 2004 Town of East Longmeadow, MA. All rights reserved. Developed by AppGeo.com'.

Property Viewer Page

When you choose a property, you will be taken directly to the “Property Viewer” mapping page. This page displays key information from the Assessor’s database, allows you to zoom in and out and pan across the map in any direction, allows you to turn on an aerial photo, and allows you to print several thematic maps (8.5”x11”) of this property. You can always select a different parcel by clicking on the map or by clicking on the “New Parcel Search” link in the upper right hand corner of the page.

Tips:

- The printable map provides a map formatted for printing at 8 ½” x 11” in portrait mode. These maps include the owner name & address, as well as a legend for the thematic maps.
- If you wish to print out the map with the property information, set printing to landscape mode & print directly from the Property Viewer Page.
